

shoulder blade
omoplata

loin
lombar

popliteal fossa
fosa popliteia

Achilles tendon
tendão de Aquiles

back of the neck
base do pescoço

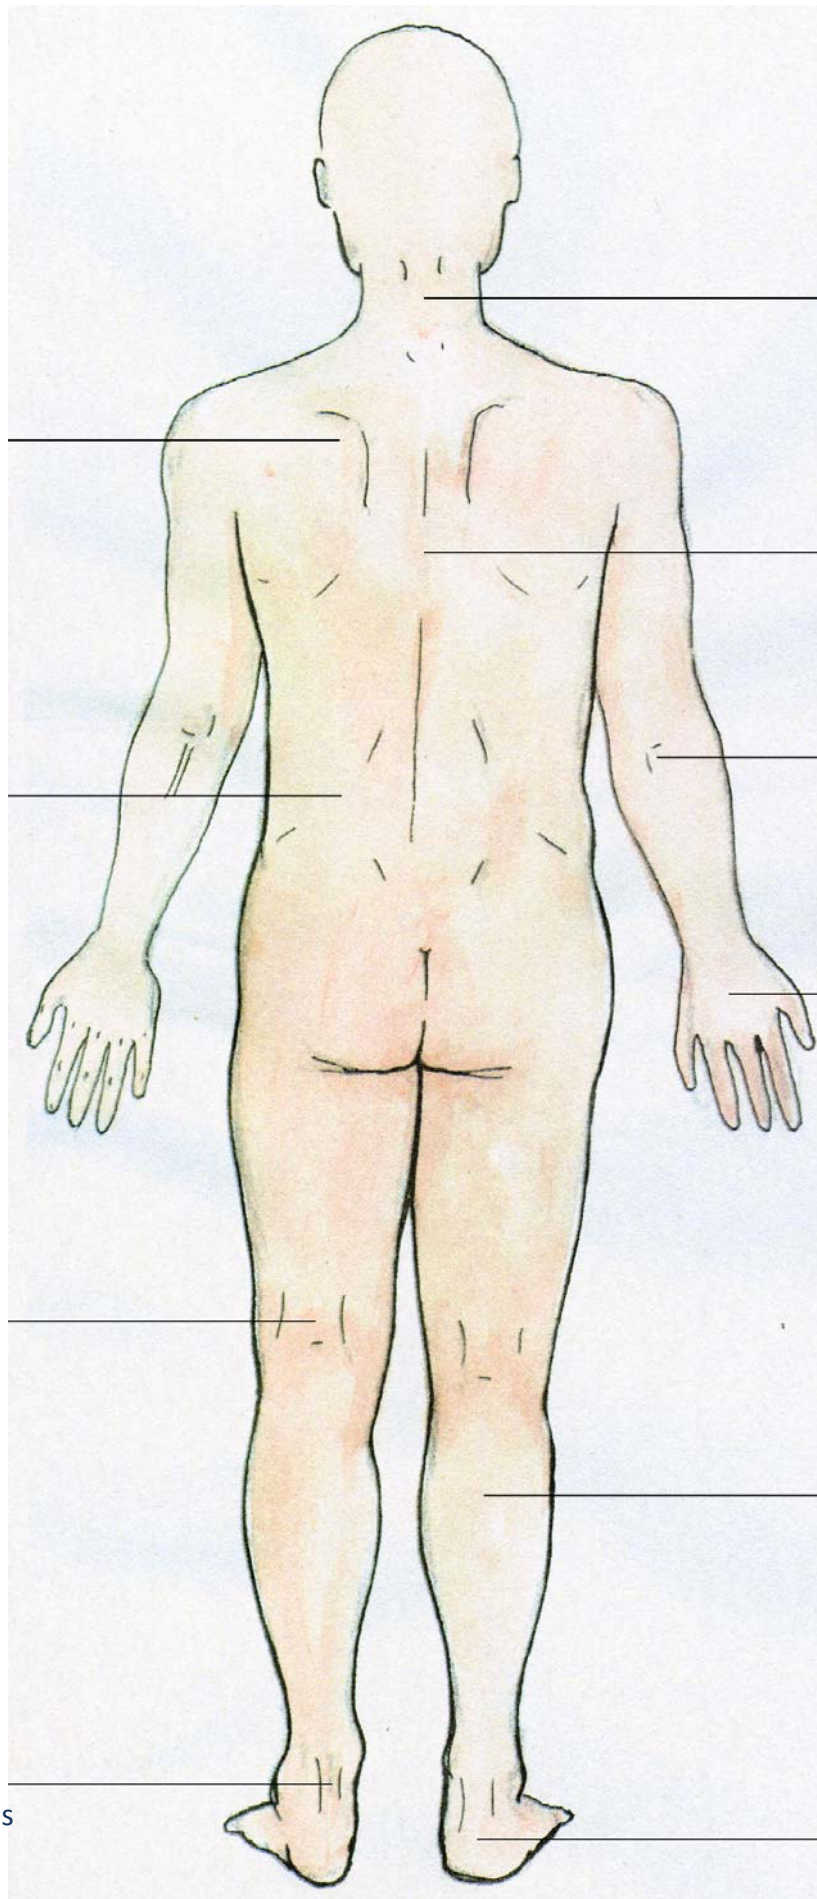

back
costas

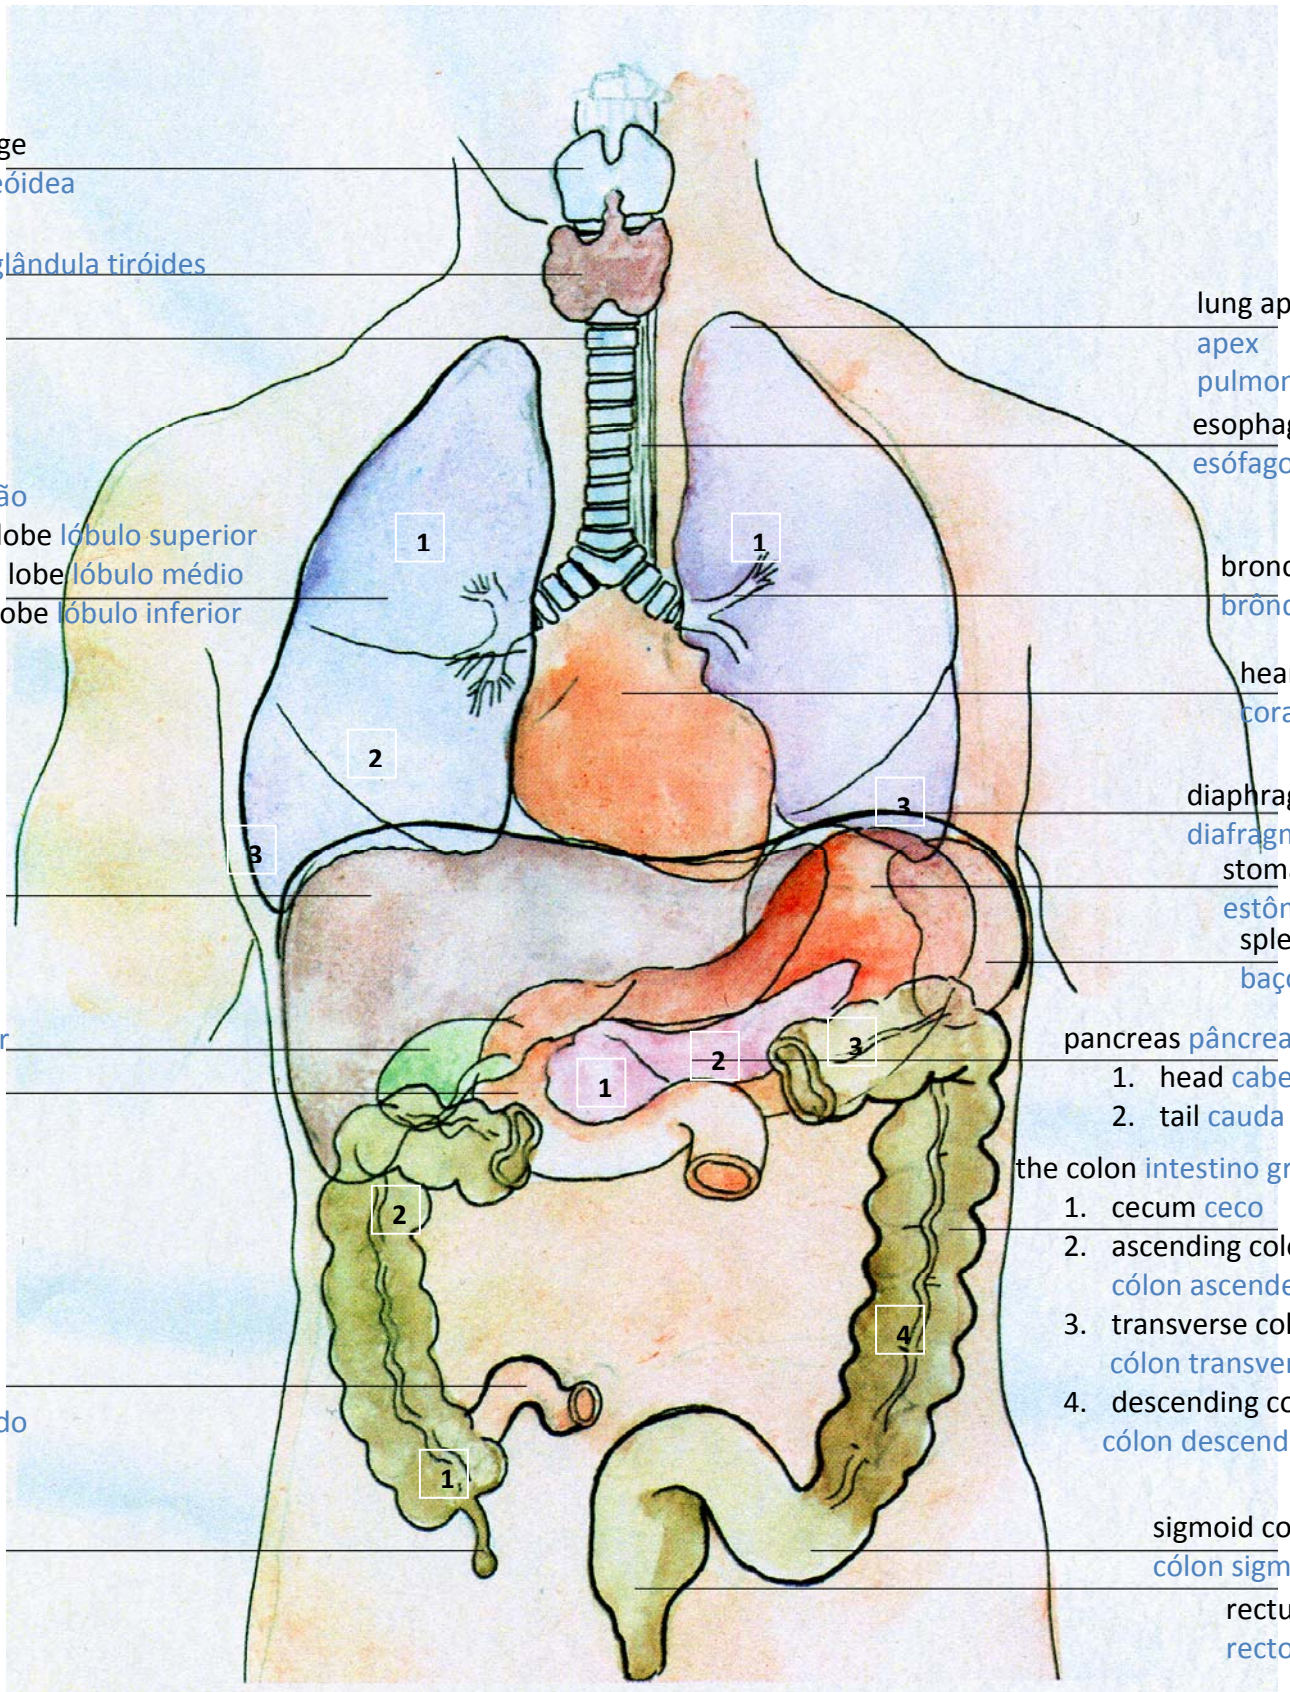

elbow
ponto do cotovelo
(olecraneo)

back of the hand
face posterior da mao
(dorso)

calf
posterior da perna
(regiao Sural)

heel
calcanhar

thyroid cartilage
cartilagem tireóidea

thyroid gland glândula tiróides

trachea
traqueia

the lung pulmão
1. upper lobe lóbulo superior
2. middle lobe lóbulo médio
3. lower lobe lóbulo inferior

lung apex
apex
pulmonar
esophagus
esófago

bronchi
brônquio

heart
coração

diaphragm
diafragma

stomach
estômago

spleen
baço

pancreas pâncreas

1. head cabeça
2. tail cauda

the colon intestino grosso

1. cecum ceco
2. ascending colon
cólon ascendente
3. transverse colon
cólon transverso
4. descending colon
cólon descendente

sigmoid colon
cólon sigmóide

rectum
recto

liver
fígado

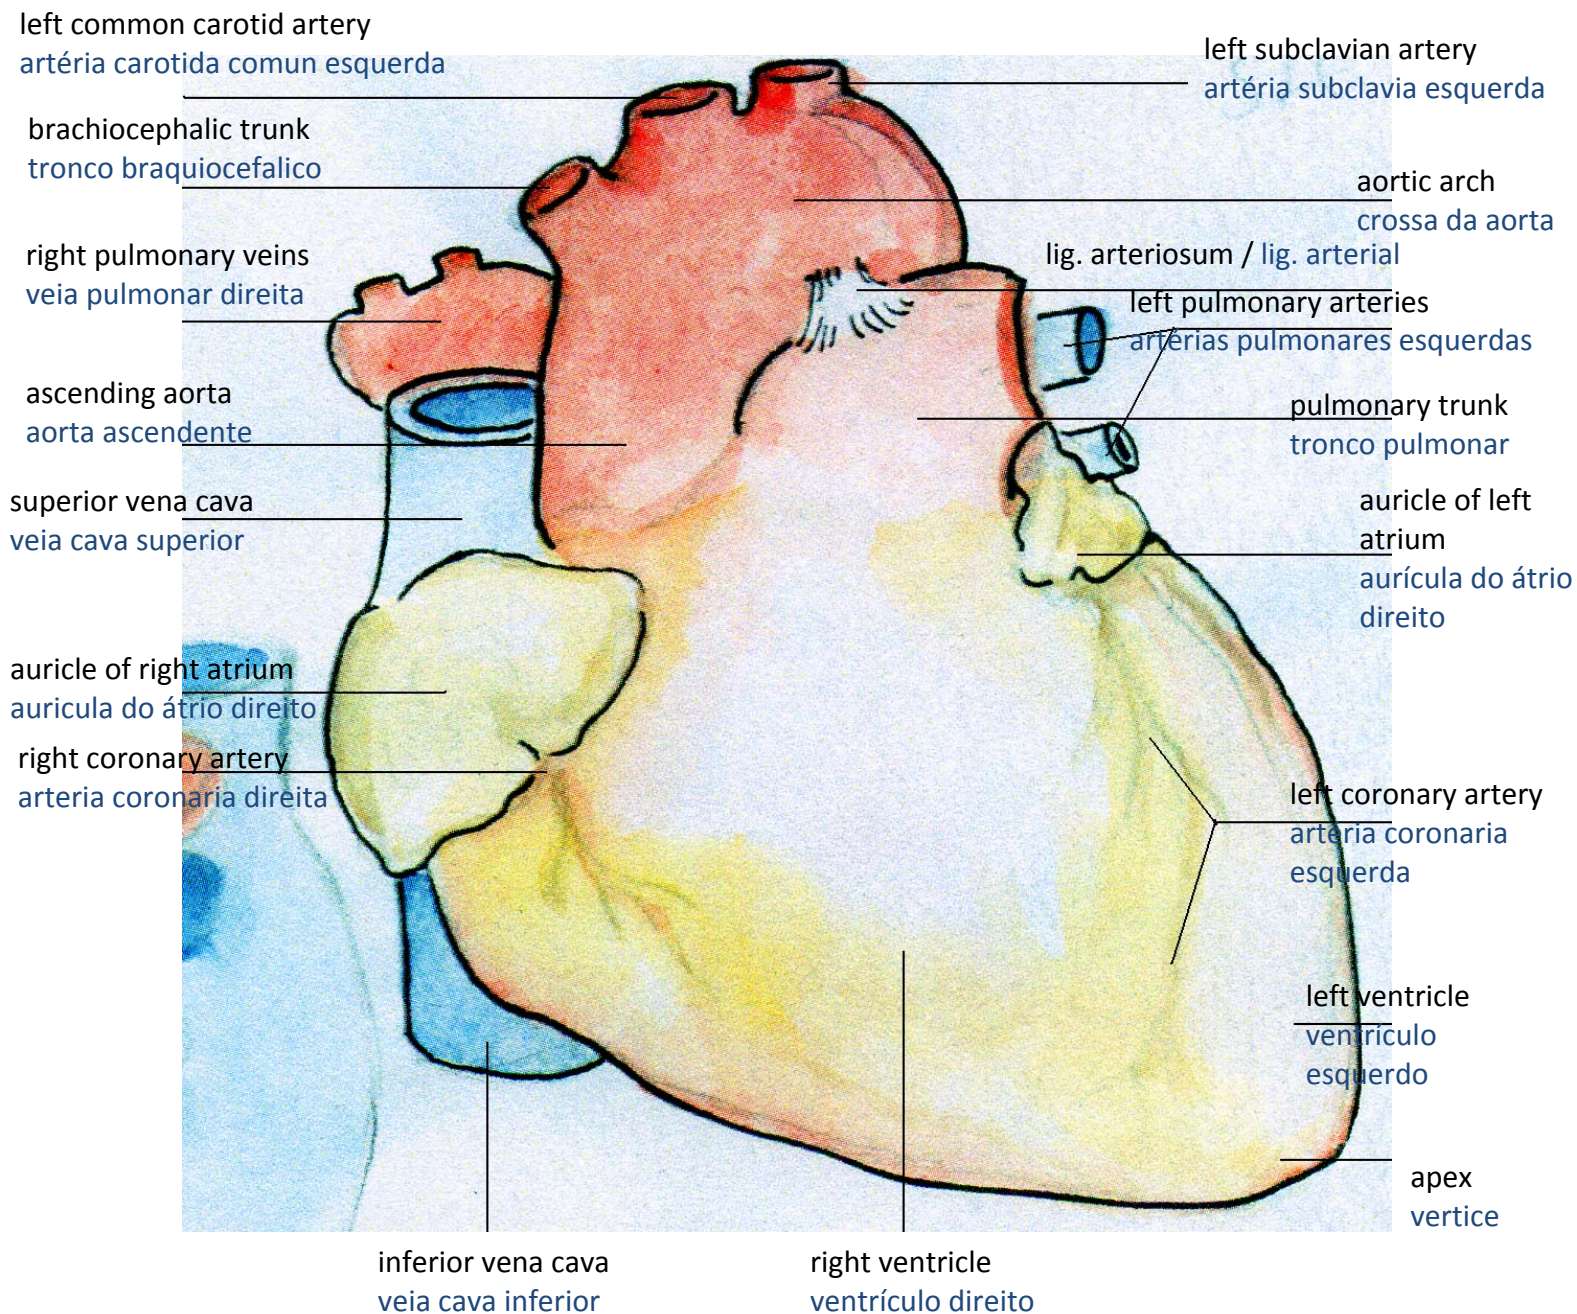

gall bladder
vesícula biliar

duodenum
duodeno

small intestine
intestino delgado

appendix
apêndice

The heart / Coração
(anterior view) / (visão anterior)

The heart (caudal view)
Coração (visão inferior)

aortic arch
crossa da aorta

superior vena cava
veia cava superior

left pulmonary arteries
artéria pulmonar esquerda

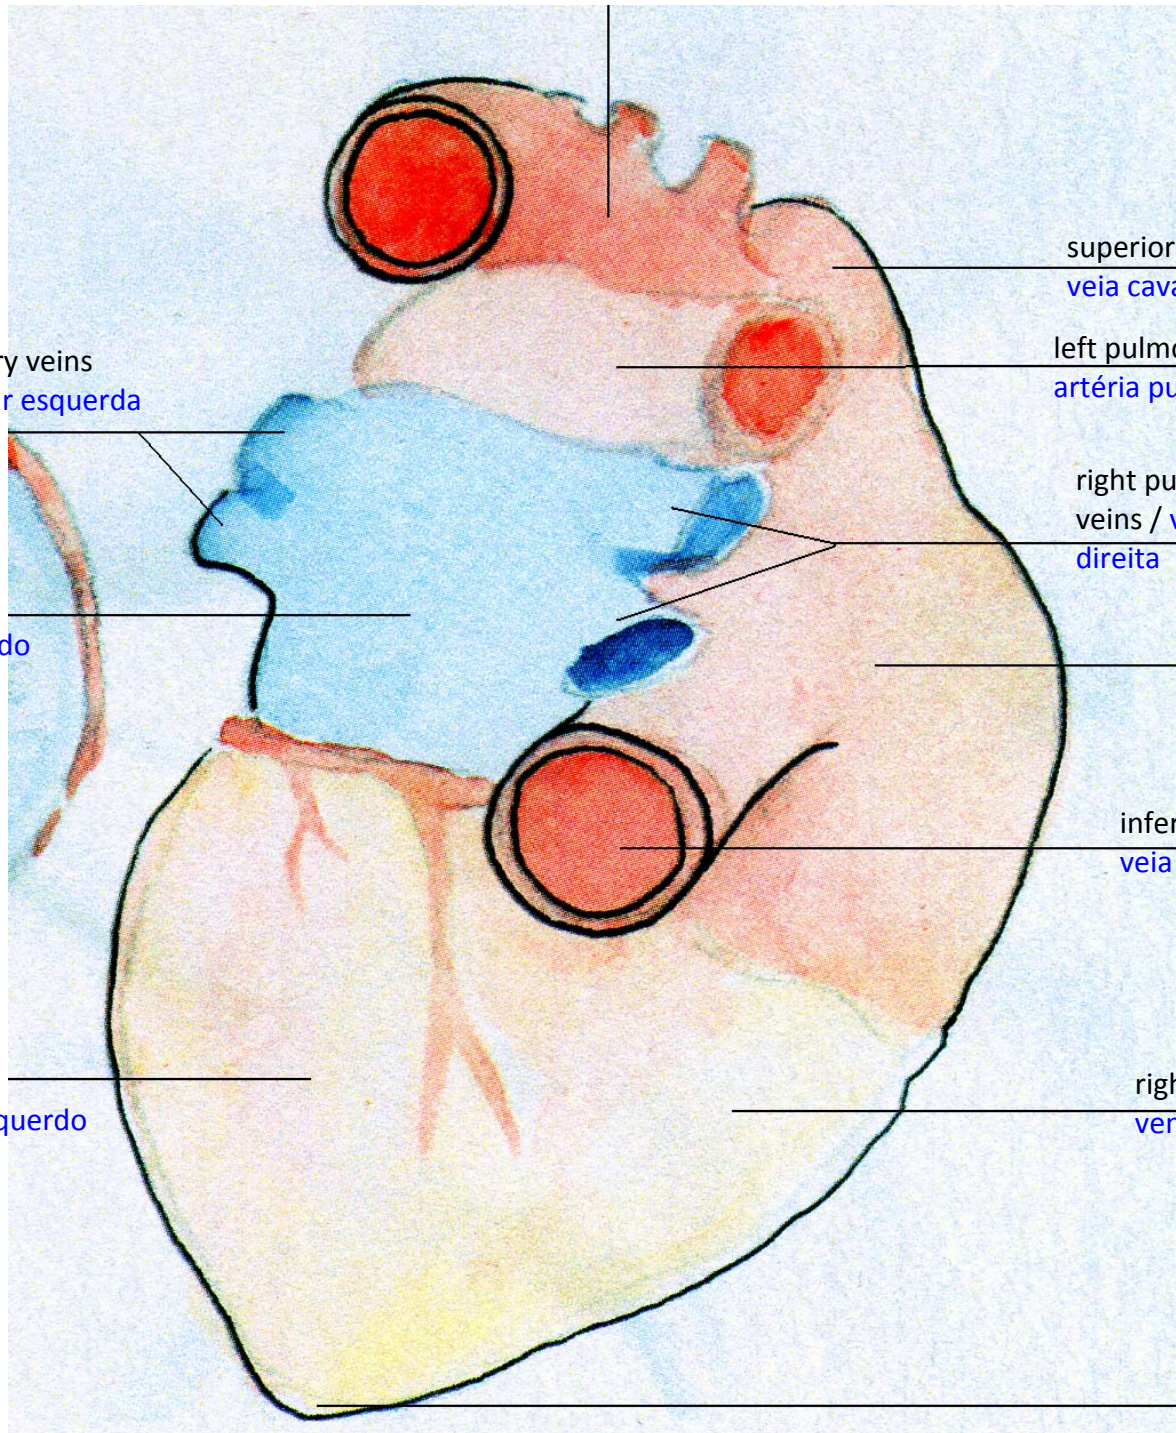

right pulmonary
veins /
veia pulmonar
direita

right atrium
átrio direito

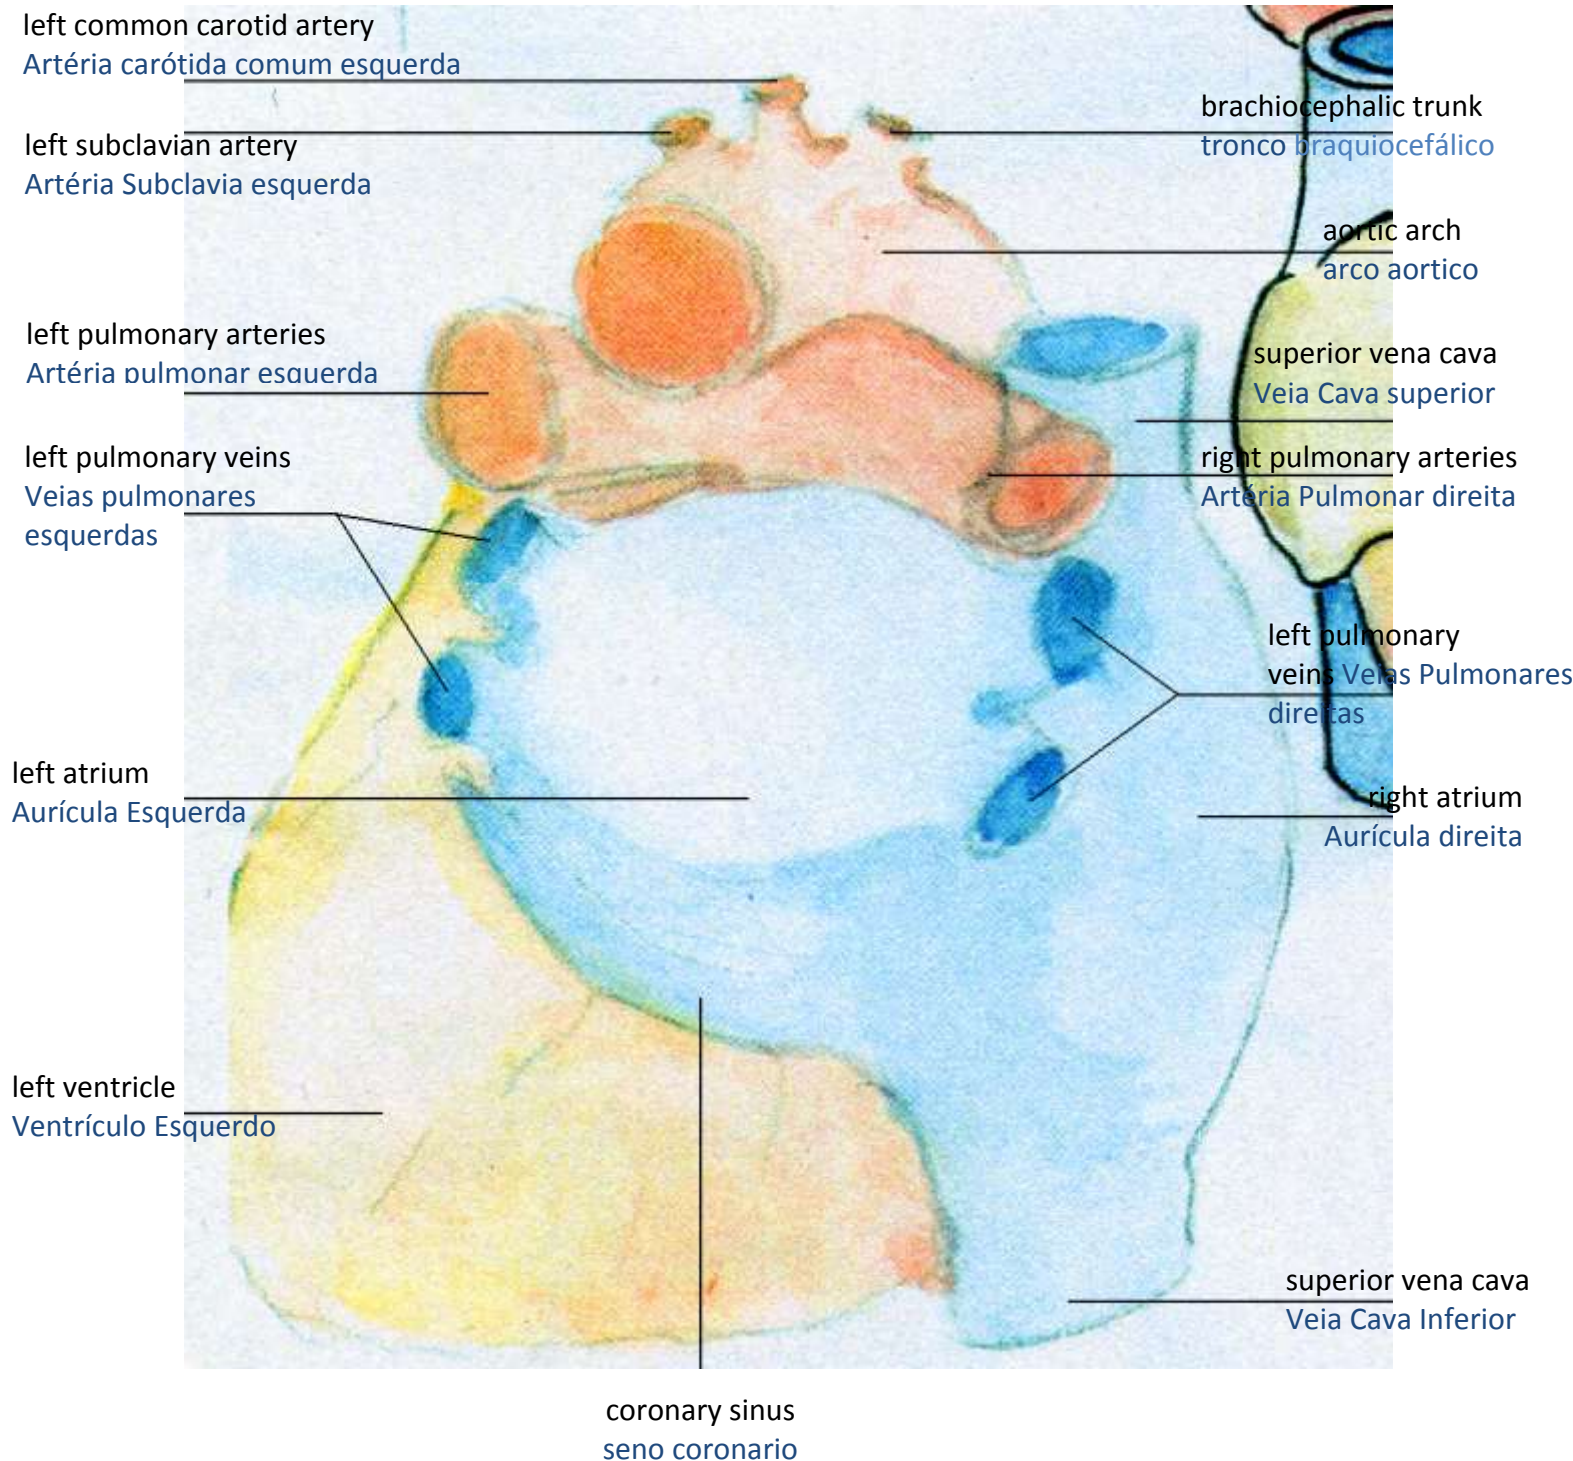

inferior vena cava
veia cava inferior

right ventricle
ventrículo direito

apex
vértice

the heart (posterior)
O coração (posterior)

The pulmonary valve / **Válvula Pulmonar**

1. Valvula semi-lunaris anterior cuspa / **valva semilunar anterior**
2. Valvula semi-lunaris left / **valva semilunar esquerda**
3. Valvula semi-lunaris right / **valva semilunar direita**

The aortic valve / **Válvula Aórtica**

2. Valvula semi-lunaris left / **valva semilunar esquerda**
3. Valvula semi-lunaris right / **valva semilunar direita**
4. Valvula semi-lunaris posterior / **valva semilunar posterior**

left coronary artery /
artéria coronaria esquerda

right coronary artery /
artéria coronaria direita

The bicuspid/ mitral valve

1. cuspis anterior
2. cuspis posterior

Válvula mitral

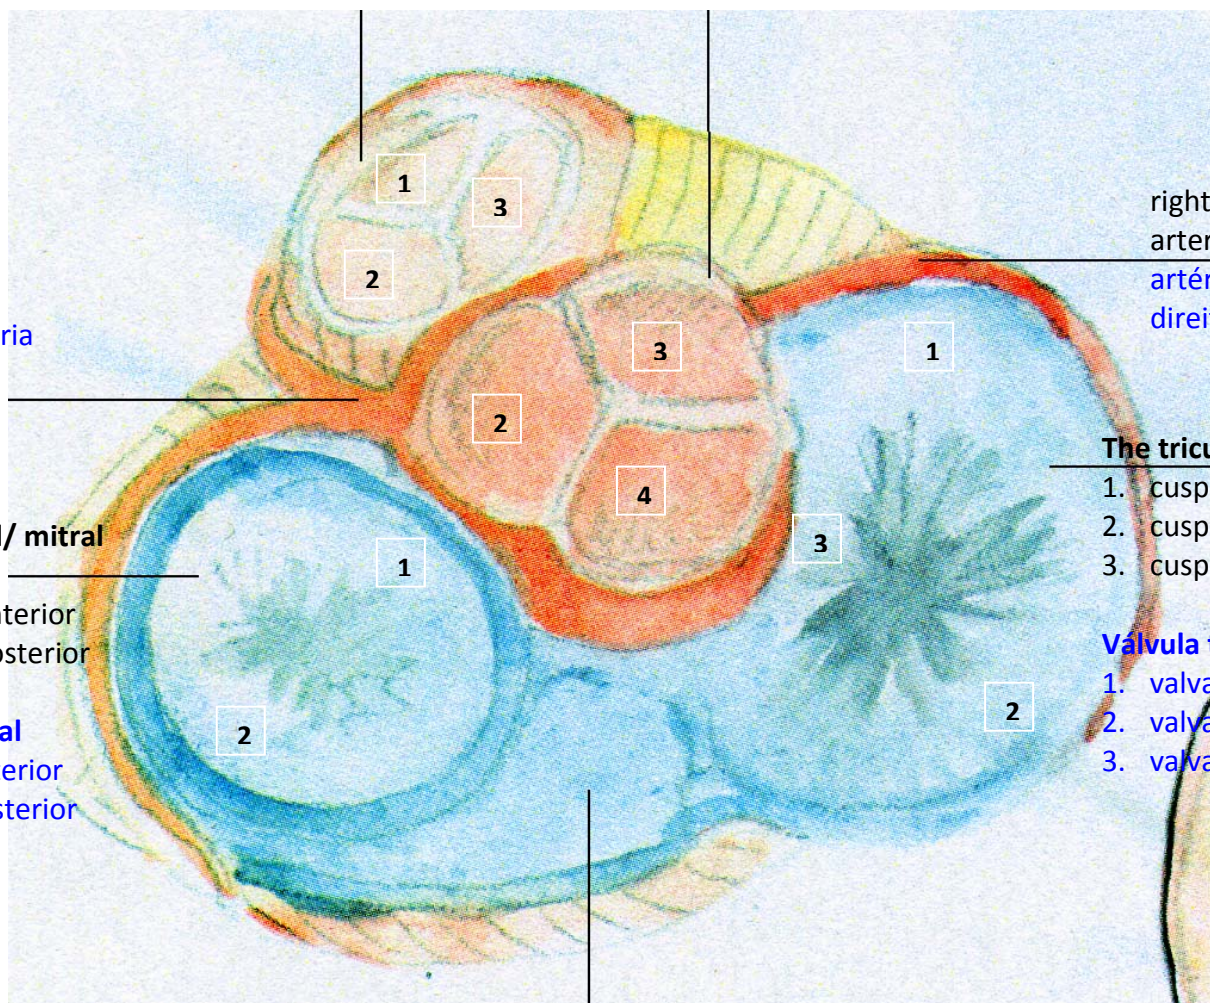

1. valva anterior
2. valva posterior

The tricuspid valve

1. cuspis anterior
2. cuspis posterior
3. cuspis septal

Válvula tricúspide

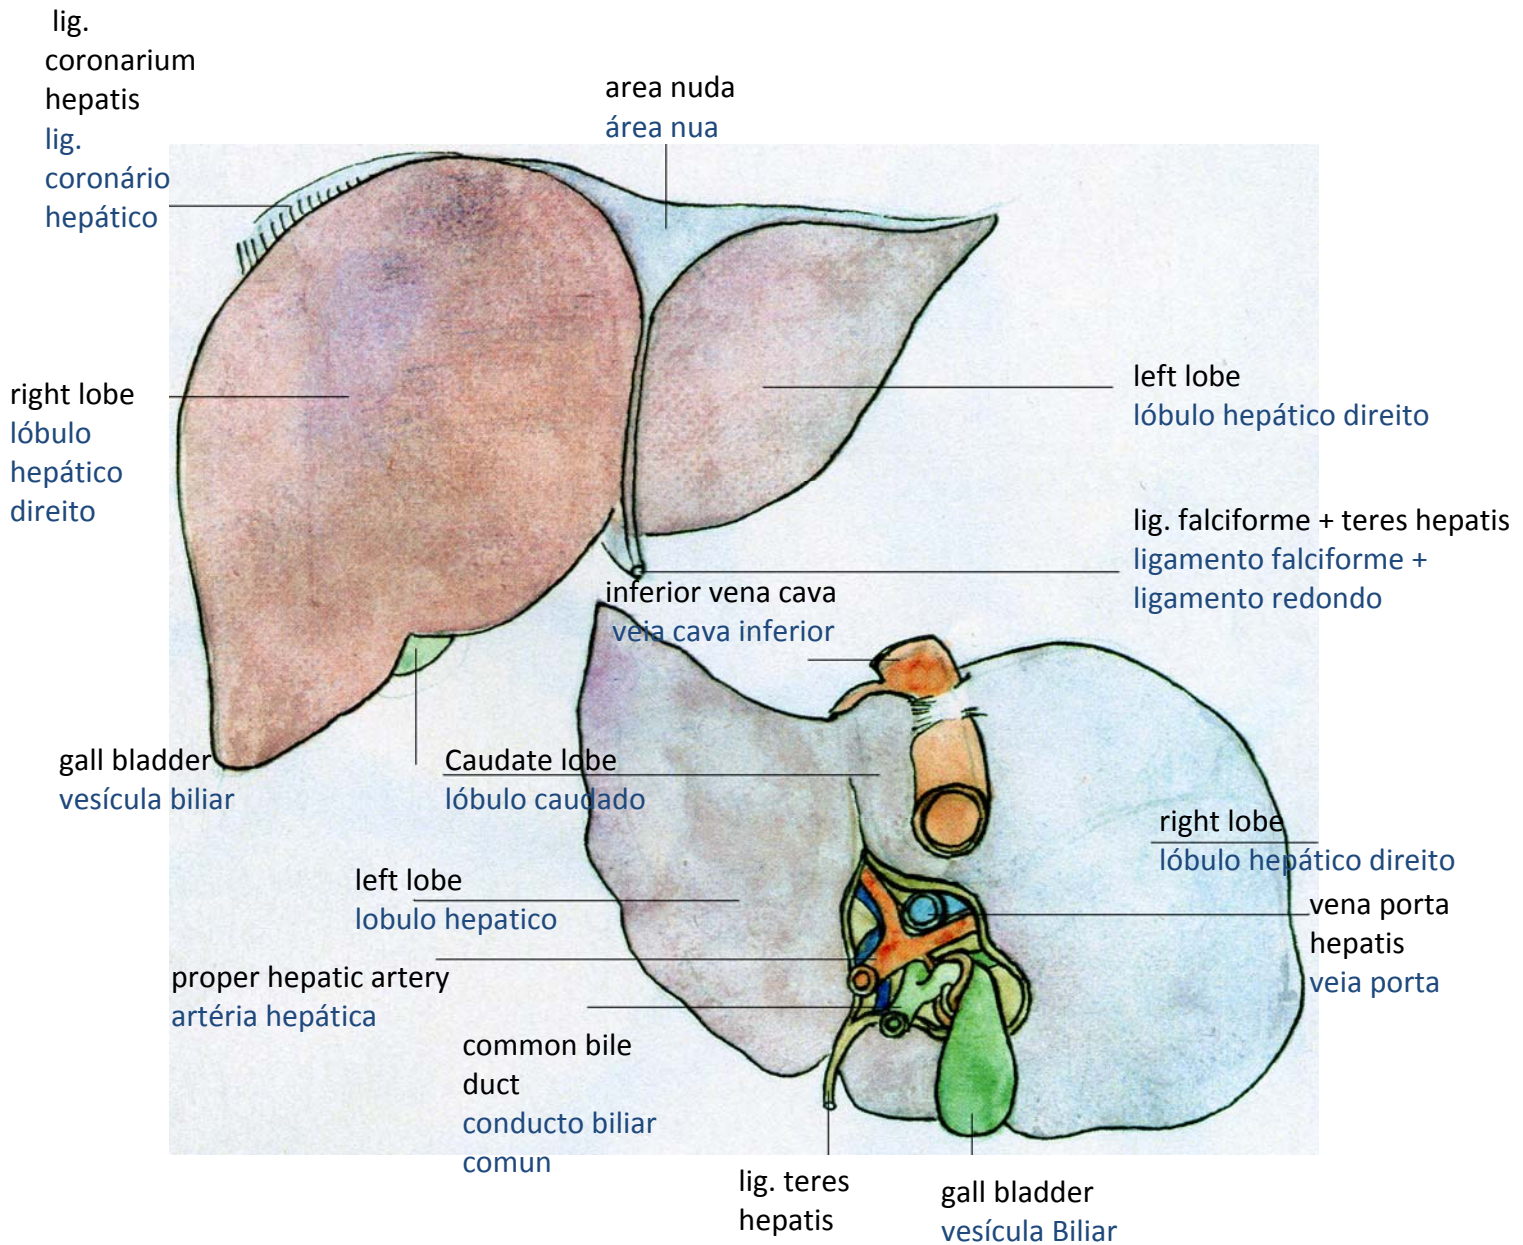

1. valva anterior
2. valva posterior
3. valva septal

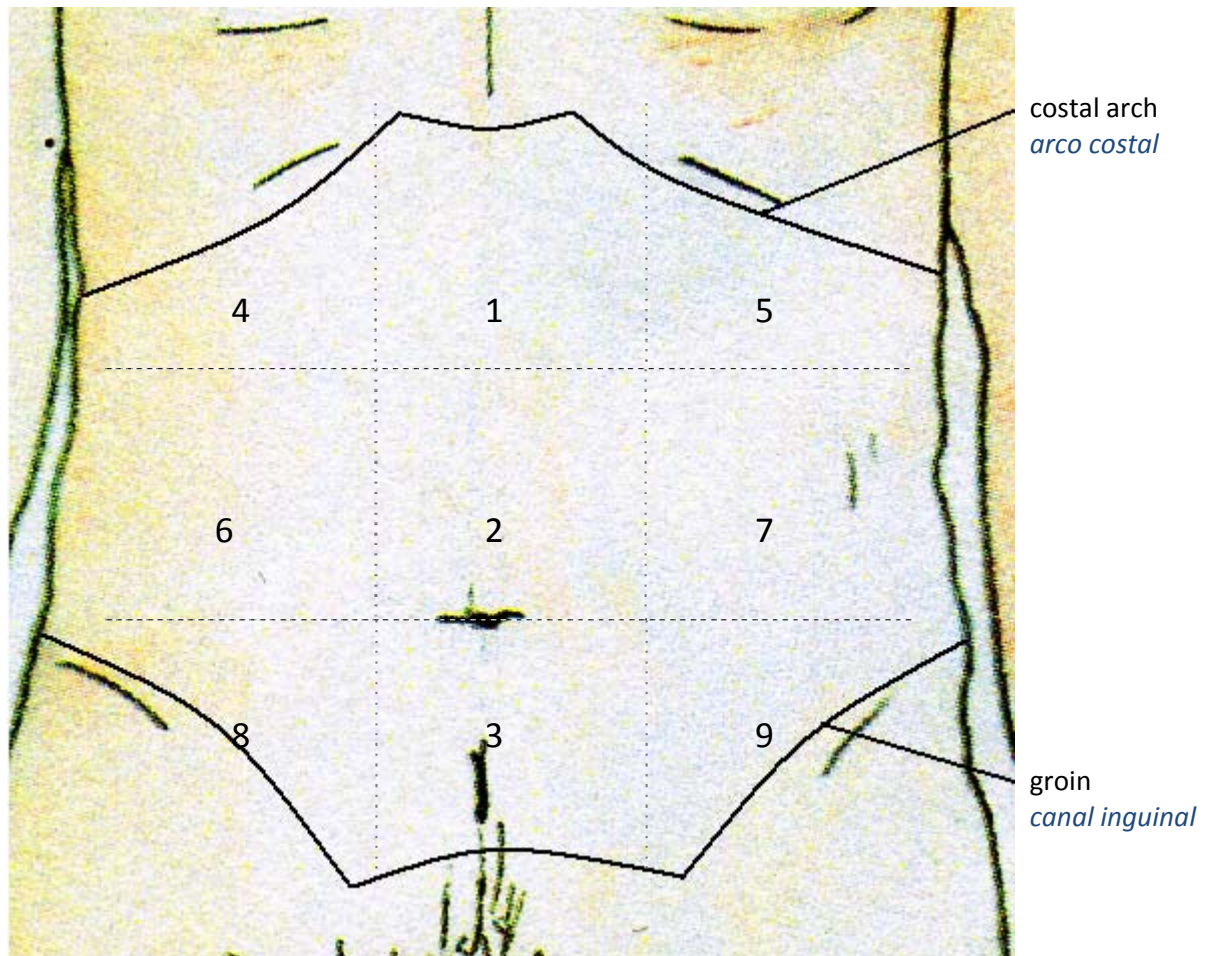

coronary sinus
seio coronario

Liver / Fígado

ventral view
visão ventral

caudal view
visão caudal

1	epigastrium/ upper abdomen	-	epigastro
2	umbilical/ navel region	-	região umbilical
3	pubic region / lower abdomen	-	hipogastro
4+5	right+left hypochondrium	-	hipocôndrio direito + esquerdo
6+7	right+left flank	-	flanco direito + esquerdo
8+9	right+left inguinal region	-	região inguinal direita + esquerda
